

Cat and Fish: Kitten Kaboodle

Written by Sam T

Cat: Your days are numbered, Fish...

Cat: ...thanks to all my new technology.

Cat: This new program will track your every move and help me determine how to capture you.

Fish: Hey, Mister Cat.

Kitten: What's so funny, Uncle Cat? Huh? Huh?

Cat: Well, I was just laughing at how the Fish has absolutely no idea what he's in...

Cat: Who are you?

Kitten: Why, I am your niece, Uncle Cat. My name is Kitten.

Kitten: I've come to stay with you while my owner is on vacation.

Cat: Well, that's nice. Now, run along!

Cat: Back to my evil plans...

Kitten: What's an evil plan, Uncle Cat? Huh? Huh?

Cat: Don't call me that! And leave!

Kitten: Oh? You mean you don't want me around?

Cat: Absolutely not.

Kitten: You mean you don't want to play with me?

Cat: Hardly.

Kitten: You mean you...

Cat: Go!

Kitten: Alright, I'll leave. Maybe I can find someone else who will want to be my friend.

Cat: Oh, please. Save the drama for your momma.

Cat: Now, where was I?

Cat: No!

Cat: All right, fine. I will just go do it the old fashion way and grab the fish out of his bowl and eat him. Ugh!

Cat: Oh, Mister Fish...

Kitten: Hey, Uncle Cat.

Fish: Duh. Why, hello, Mister Cat.

Cat: What are you doing in there?

Kitten: Mister Fish and I are friends now.

Kitten: Did you come to play with us, Uncle Cat?

Cat: Well... one of you.

Fish: Oh boy, oh boy, oh boy.

Cat: I know! Why don't we play a rousing game of "Sit in the Sandwich".

Fish: Me first! No, you first. No, me! Me!

Kitten: No! Me first! Me! Me! Me first! He's my uncle!

Cat: The fish goes first.

Kitten: Aw!

Fish: Duh. Is this correct, Mister Cat?

Cat: Oh, very much so.

Owner: Ahem.

Cat: Oh, no! Not this again!

Cat: I know, I know! Outside for me!

Cat: Once again, the fish has outwitted me.

Kitten: See you next time, Uncle Cat.

Fish: See you next time, Mister Cat.

Cat: But that's where you're wrong. I don't think there'll be a next time...

Cat: ...for you see, I think I will adapt and become an outside cat.

Cat: Hello, Mister Bird.

(End)
